ABOUT ME

I'm Alhaq Gowhar, a passionate graphic designer who brings ideas to life through clean, modern designs in Figma. I love crafting visuals that not only look great but help brands connect with people and achieve real results. From websites to product ads, I focus on creating user-friendly, engaging designs that add value for clients and customers alike.

- Wireframing & User Flows
- Visual Design

- Responsive Web & App Design
- Icon & Illustration Design
- User-Centric Design Thinking
- Branding & Visual Identity
- Typography & Color Theory

PROJECTS

- **Digital Agency Website**

  Designed a modern, minimal website for a digital agency, featuring clean layouts, strong typography, and engaging visuals to highlight services and build client trust.

- **Clohouse E-commerce Website**

  Created a sleek fashion e-commerce interface with intuitive navigation, attractive product displays, and a contemporary feel to boost user experience and conversions.

- **Sidcup Family Cricket Website**

  Developed a dynamic website for a cricket stadium and entertainment venue, using vibrant imagery and stylish layouts to capture the excitement of the sport.

- **Anywhere Skincare Advertisement**

  Crafted a fresh, elegant ad layout for a skincare brand, emphasizing natural ingredients and modern aesthetics to connect with beauty-conscious customers.
